APRIL 2018

Easter Celebration and Egg Hunt:

On Tuesday, March 27th and Wednesday March 28th we will be celebrating Easter. We will retell the story of Jesus with Resurrection Eggs, go on an Easter Egg Number Hunt, make a bunny mask and have a tasty treat!

Water Play Day:

Even if it's cold we can pretend... We are going to Hawaii! On April 5th & April 6th we are packing our backpacks and heading to the CCNS Hawaii Classroom. The children can choose to wear their swimsuits to class (under their school clothes) and bring a beach towel! We will have water games, sea creatures, water painting, *Moana* playing, a Hawaiian Sensory Game (the children will have the option to taste, smell, feel & look at different foods you may see in Hawaii) and other fun activities.

Zoo Animals for Z week:

Please remember to pack a stuffed animal on Wednesday, April 25th and Thursday, April 26th.

Patterns, counting and sorting are just some of the activities we will be doing with our Zoo Animals! We will also have an animal cracker picnic with our zoo friends! Even though we will have a small treat please pack a regular snack.

2018-2019 Enrollment Information:

We are looking forward to the 2018-2019 school year, as both classes are considered "full" at this time. We have a waiting list available for interested families. If an opening may come available- the first family on the list will be asked (first come, first serve basis).

OPC Landscaping:

Spring is here! A gentle reminder to the CCNS families, please be respectful of the flowerbeds in front of the church. The congregation works very hard each year to keep the flower beds looking nice- please keep the children in the grass or on sidewalks. ☺

April 2: No school

April 5 & 6: Water Play Day!

April 12: CCNS Board Meeting @ 6 PM
(CCNS staff and CCNS Parent Board Members)

April 25 & 26: Zoo Animals

April 27: Lane Public Library Circle Time
with Ms. Caitlin (9:00- 10:00)

Preschool Pictures:

We haven't forgotten about preschool pictures. We weren't able to get our local photographer to take our pictures this year due to scheduling, but we have been talking with Lifetouch. Once I have confirmation- I will put an information flyer in your child's backpack. Fingers crossed!

MWF Assessments:

All scheduled assessments have been completed and the evaluations have been sent home. If you have any questions or would like to discuss the review in person, please let me know and we can schedule a time to meet.
