MAY 2018

Water Play Day: W week!

Even if it's cold we can pretend... During W week we packed our backpacks and jump on a plane to Hawaii. We sorted sea creatures, play at the saltwater table, painted with watercolor, watched *Moana*, sampled different Hawaiian foods and even learned how to hula!

Caterpillars to Butterflies:

We have 10 caterpillars in the CCNS classroom--- well we did. They have currently moved into the J-shape position (ready for the chrysalis phase to begin). We will be making a graph next week to show our predictions for what color we believe the butterflies will be! Stay Tuned....

Oxford Firehouse Field Trip:

The MWF class will be visiting the Oxford Fire Department on May 2, 2018, to learn about fire safety. We are looking forward to meeting *real* superheroes!

Party at the Park:

Come celebrate the end of the year with a play date at the park! We will meet at the Milford Township Community Park (Collinsville) for a new park adventure! Miss Sarah will be there from 10:00-11:00.

CCNS Flower Shop:

In our dramatic play area we have opened the CCNS Flower Shop! We delivery flowers to our friends, write and take orders for our customers, the florist can arrange the flowers by patterns of colors, size and type, and the cashier is counting dollars, coins and swiping cards.

May 2: MWF Class Field Trip

Oxford Fire Department
(9:30-10:30)

May 8: NO SCHOOL

May 17: T-TH Last Day

May 21: MWF Last Day

May 22: T-TH Party at the Park

May 23: MWF Party at the Park

MWF Graduation:

Mark your calendars to join us for the 2017-2018 CCNS Graduation on Monday, May 21, 2018 at 6:00 p.m.

2018-2019 Enrollment:

We are looking forward to the 2018-2019 school year, as both classes are considered "full" at this time. We have a waiting list available for interested families. If an opening may come available- the first family on the list will be asked (first come, first serve basis).

OPC Landscaping:

Spring is here! A gentle reminder to the CCNS families, please be respectful of the flowerbeds in front of the church. The congregation works very hard each year to keep the flower beds looking nice- please keep the children in the grass or on sidewalks. ☺
