

CCNS NEWS

The CCNS classroom has been busy since returning from Christmas Break and full of love during the month of February!

Open Enrollment has begun for the 2019-2020 school year and openings are filling quickly! Of course, Mother Nature has given us a few extra days off, since returning back to school due to cold, snow and ice!

Thankfully, we were able to celebrate Valentine's Day! During arrival, the children were smiling ear to ear as they walked into the classroom, proud of the valentine's boxes that each child (and family) had designed, decorated and made their own! Throughout the day, we discussed the love that our Heavenly Father and Jesus have for each and everyone one of us! It was a great day.

If you stop by the preschool classroom, you will see rainbows hanging from the ceiling. In the middle of the rainbow is the verse "I will put a rainbow in the clouds to be a sign of my promise to the Earth. Genesis 9:13." Working on

the letter R, we thought it would be a great idea to review Noah's Ark and what the rainbow at the end of the story meant. Making connections- animals, pairs, opposites, rhyming, sorting, shapes, etc.

As we plan for the upcoming month, we will be reviewing the last of the letters V, W, X, Y and Z and studying the bible story(ies) will be *Jonah and the big fish (Beginner's Bible)* and *Jonah and the Whale (Usborne Bible Stories)*.

We have planned a field trip (both classes) to Goggin Ice Area on March 27th and 28th.

We will also celebrate St. Patrick's Day and hope that our CCNS Leprechaun takes us on a rainbow hunt to the pot of gold! Have a Lucky Month- we will at CCNS! 😊
