# C.C.N.S Preschool

February 16- NO SCHOOL

February 19: NO SCHOOL

Week 1: Letter R "Rainbows"

Week 2: Valentine Week

Week 3: Letter S "Strength & Superheroes"

Week 4: Letter T "Truthful"

1.17.2018

## Who Built the Ark? Noah, Noah!

After Christmas break, the CCNS children got right back to work practicing the letter N(n). We learned a new song "Who built the Ark?". We made animal connections through the story of Noah & "Brown Bear, Brown Bear" and also practiced numbers 1-10 with a Number Hunt & Paint.

## Kindergarten Readiness Assessment Sign-up (MWF CLASS ONLY)

**MWF CCNS Families:** There is a sign-up sheet for Kindergarten Readiness Assessments on the CCNS parent board. The assessments will be held after class from 12:00- 2:00 every Wednesday in February. This should take 30 mins per child. Even though this is after class, Ms. Sarah and another CCNS staff member will be in the CCNS classroom. If you would like more information please contact Ms. Sarah.

Who says you can't come to school dressed crazy and wacky! We celebrated the letter O(o) with Opposite Day. We had tutus, Jammies, numerous patterns, two different shoes on the same body, masks, a car & race track taped to a shirt, bows & socks stuck in hair, shirts inside out & backwards, and even socks on hands! This was a fun way to introduce opposites and the letter O(o)!

Snow Days & Cold Days

FEBRUARY 2018

It's been a longer break then what we expected. The snow and cold caused us to close three times already this year. Just a reminder to families; MWF class can miss three classes without makeup (we've already missed two) and T-TH class can miss two classes without makeup (we've already missed one). In the event of going over our snow days, CCNS will extend up to (1) week. Any additional days will not be made up.

## Valentine's Day Exchange

Our Valentine's Exchange will be held on 2.14.18 & 2.15.18. Each child should bring Valentine's for their classmates. Please use the updated Family Class List. **CCNS Families:** Please provide a snack for your child! CCNS will be providing a small Valentine's Day treat.

## MAKE A MAILBOX!!!

**CCNS Families:** Help your child make their very own Valentine's Day Mailbox. This could be something as simple as a decorated shoebox or something even more creative. Please bring their mailbox to school on the day of the Valentine Exchange.

Opposite Day:
