

DAVID KRAUSHAR is a senior at Talawanda High School, son of Dave & Amy Kraushar, and an excellent 3 sport student-athlete, with a 4.33 GPA. He's looking to major in Engineering after graduation this year.

After an outstanding effort in the Fall Cross Country season, David emerged as the best runner in the Southwestern Ohio Conference. Now he's a starter on the Talawanda basketball team, yet his success has not matched his running performance in the Fall. But don't ever count David Kraushar out. After losing 15 straight games to start the season, the Brave won their first game against Franklin County High School a couple weeks ago.

Despite averaging only 7 points per game up to that point, David scored 14 points in that first win. In the next three games he scored 10 against league leading Mt. Healthy, 22 against Colerain and 18 vs. rival Edgewood. In his last game (2/12/19) he scored 19 in another disappointing loss to Eaton. He's playing the best basketball of his life.

We're all proud of David, and wish him the best of luck running for the Brave track team this Spring, and in everything he aspires to the rest of his life.
