I would like to volunteer for the following committees:

- Kitchen Committee:** This committee will arrive Friday, Oct 25th to camp to help prepare meals for the full weekend. During the Alumni weekend this committee will also help cook and serve meals. This committee will also assist with dishes as necessary.
- Lodge Duty:** This committee will have table setter's responsibility for all meals during the alumni event.
- Dishes:** This committee will be assisting the kitchen committee to wash dishes after each meal during the alumni event.
- Camp Traditions:** This committee will assist with all camp traditions during alumni weekend. Flag ceremonies, bugles, songs and vespers.
- Council Fire:** This committee will assist in the building, monitoring and putting out of council fire.
- Activities:** This committee will assist putting together activities for Alumni weekend. This committee will require phone meeting prior to event and participation at Alumni weekend.
- Fundraising:** This committee will help Cornell Cooperative Extension of Nassau County try to reach its 95 for 95 goal of raising \$95,000 for 95 years of camping. This committee will require a substantial time commitment prior to the Alumni weekend seeking donations.
- Auction Committee:** This committee will assist in putting together a basket auction to be held at Alumni weekend. Committee members will seek donation of baskets prior to alumni weekend and run the basket auction during alumni weekend.

Suggestions for other items not listed: _____
