MEMORANDUM

To: All Senators
From: Senator Hooper, Chair
Subject: Update on the Budget
Date: February 12, 2026

We will not be presenting our budget today. Our goal remains to roll out our budget in concert with our House partners.

Taking into account public notice requirements in the Senate Rules, the next opportunity to roll out our budget is next week.

We will certainly keep you updated as we move forward. We look forward to working with our House partners and to getting the budget process underway as soon as possible. We have great partners in the House, and I have every expectation we will work well together moving forward.
