Proceeds will benefit Myhre for Assembly. New Jersey law prohibits entities operating in certain regulated industries (casinos, financial institutions, insurance companies, utilities) from contributing. Election Law allows contributions with a limit of \$5,500 per candidate, per election cycle from individuals and corporations and \$17,300 per candidate, per election cycle from PAC's.

A partnership or limited liability company may not contribute as an entity. However, a check from a partnership or limited liability company may be accepted so long as it is accompanied by a letter allocating the contribution to the individual partner(s) or member(s) and is signed by each contributing partner or member. The letter must include each contributing partners' home address. A partner's total contribution, through the partnership and personally, cannot exceed the \$5,500 per election limit.

Contributions are not deductible for income tax purposes. Contributions over \$200 are reportable with NJ ELEC.
