

TRAINING OPPORTUNITY

OKLAHOMA A-XP:

BRIDGING SKILLS COURSE

This program provides a six-week, evening course to bridge oil and gas engineers into Oklahoma's second largest industry – **Aerospace**.

Each week builds upon the other with different principals of the aerospace industry beginning with aerospace terms and practices, advancing to quality and airworthiness.

The program is powered through a collaboration of the Oklahoma Center of Workforce Excellence in Aerospace and Cybersecurity. Operating partners include Rose State College, Tulsa Community College and Oklahoma State University Institute of Technology (OSUIT).

START DATE:

June 22 – July 29, 2021 (meets Tuesday and Thursday from 6-10 p.m.)

COST:

\$500.00 per person

PRE-REQUISITE:

An engineering degree is needed to be accepted into this program.

COURSE SCHEDULE:

June 22 – July 29, 2021

Classes run Tuesday and Thursday evenings 6-10 p.m.

ROSE STATE COLLEGE

Professional Training Center

1720 Hudiburg Drive

Midwest City, OK 73110

CENTER OF WORKFORCE EXCELLENCE IN **AEROSPACE** **&** **CYBERSECURITY**

POWERED BY
ROSE STATE COLLEGE & TULSA COMMUNITY COLLEGE

ABOUT THE CENTER OF WORKFORCE EXCELLENCE IN AEROSPACE AND CYBERSECURITY:

The Oklahoma Center of Workforce Excellence in Aerospace and Cybersecurity, powered by Rose State College and Tulsa Community College, is a collaboration of the state's two premiere aviation/aerospace and cyber campus communities.

- » **Provides training**
- » **Creates educational pathways with “on and off ramps” for students at all levels**
- » **Engages community industry partners to build solution-focused training**
- » **Nimble to meet the needs of in-demand careers**

BACKGROUND:

The Center of Workforce Excellence in Aerospace and Cybersecurity was granted the designation in late 2020, by the Oklahoma Governor's Council for Workforce and Economic Development, following an exhaustive application process.

Your local Center of Workforce Excellence can be an extension of your workforce development and new employee recruitment, providing support that is unique to your business. The Center works alongside you to understand your workforce needs, create custom training solutions and deliver skilled and trained employees to help your business succeed.
