WE ARE THE DIFFERENCE.

MAKE YOUR VOTE MAKE SOME NOISE!

NOVEMBER 2026

Your Vote Makes the Difference

To the People of the Seventh Episcopal District:

Our right to vote was secured through sacrifice. During Freedom Summer in 1964, volunteers risked their lives to register Black voters in Mississippi. In 1965, marchers in Selma endured violence on the Edmund Pettus Bridge as they demanded equal access to the ballot. Their courage helped lead to the Voting Rights Act of 1965.

Because they stood for the right to vote, we have a responsibility to exercise it today. Voting is not merely a privilege we inherited; it is a duty we owe to those who sacrificed for us and to those who will come after us.

Now it is our turn.

Make your plan today to vote in November. Check your registration. Learn where and when you will vote. Bring someone with you. Encourage your family, congregation, neighbors, and friends to participate. Make voting part of your daily conversation.

Do not allow inconvenience, disappointment, misinformation, or any other barrier to stop you. Our children, our grandchildren, and generations yet unborn will judge whether we honored the sacrifices of those who came before us by using the voice they fought to secure.

History will record this moment, and your vote will be part of that record. One vote can make a difference because it is the difference that makes the difference.

As a citizen, I am excited and determined to cast my ballot because I believe my vote matters. I hope you will join me. From now until November, you will hear from me again as we work together to educate, organize, mobilize, and vote.

*Let us rise. Let us bring somebody with us.
Let us vote.*

Faithfully,

Bishop James L. Davis
