

The Village of Point Edward's 1st Annual **SNOW CREATION CHALLENGE**

This event is dependent on the weather, and the date will be determined based on the forecast.

If conditions are favourable, we will announce the start of the Snow Creation Challenge on social media and by email to Village subscribers. Once the event begins, participants will have 48 hours to complete their snow creation, so start thinking about what you'd like to build!

Participants must contact the Municipal Office at (519) 337-3021 to register their entry once the event begins.

**1st, 2nd,
& 3rd place
prizes!**

The Challenge is open to Point Edward residents and businesses with room to create a snow sculpture **on their own property.**

Participants can form teams or compete as individuals. Prize amounts will be the same for individuals and teams.

Get creative, challenge your neighbours, and spread the word!

To ensure you don't miss updates on this event, follow the Village on Facebook or visit www.villageofpointedward.com to sign up for Village emails.
