

# FROZEN JR. VIDEO ORDER FORM

This year, ACA is making a transition to the digital world regarding their show distribution. The filmed ACA production of FROZEN JR. will be distributed digitally via USB Flash Drive in order to provide an efficient and easy means of sharing among family and friends as well as a safe and flexible way to store the production for future viewing.

Each USB drive will be \$20.00 and available for family of cast members. Payment and order form is due to the office on or before Friday, December 18th, 2020. After that date no orders will be accepted. Copies will be available for pick up when we return from Christmas Break in January.
