

2026 Partnership Opportunities

When you join **AIA Inland California** as an **Allied Member** or a **Corporate Sponsor**, you are doing more than supporting individual events or initiatives. Your partnership helps advance our mission to elevate architecture, expand education, and strengthen collaboration across the Inland California design community.

Sponsorship directly supports the programs and experiences that define our chapter. These include the Annual Design Awards and Gala, the Bob Kain Memorial AIAIC Golf Classic, which serves as our primary fundraiser for scholarships, chapter operations, and strategic initiatives, the Student Design Competition, the Architecture Photography Competition, and our annual Holiday Party. Sponsorship also enables educational programming for associates pursuing licensure and provides meaningful opportunities for members to earn continuing education credits.

In 2025, we introduced two new sponsorship levels, creating additional pathways for businesses to align with our mission and increase their visibility. Every sponsorship level is designed to provide unique advantages and genuine interaction, so your collaboration delivers meaningful results for your organization and the architectural community we support.

Allied Membership \$200

Designed for professionals and firms in architecture adjacent industries, including engineers, planners, landscape architects, artists, muralists, educators, and manufacturers, Allied Membership offers direct access to the architectural community through a vibrant calendar of curated events, programs, and opportunities created to support visibility, relationships, and engagement within the AEC industry.

For even more visibility and benefits, consider the following corporate sponsorships:

Silver Corporate Sponsorship \$1,800

Annual Corporate Sponsorship provides year-round visibility and opportunities to participate in educational programs, sponsor monthly events, and build connections with decision-makers across the architecture, design, and construction industries.

Gold Corporate Sponsorship \$3,000

Gold Sponsorship offers a premium opportunity to combine corporate sponsorship with support for the Annual Golf Tournament and more.

Platinum Corporate Sponsorship \$5,000

Platinum Sponsorship represents the top partnership level, combining annual corporate sponsorship with support for the Annual Golf Tournament and one of two signature events. This level includes speaking opportunities at a signature event, along with premium benefits designed to deliver maximum visibility and value.

The table that follows outlines the sponsorship levels and their associated benefits, helping you select the option that best aligns with your marketing and networking objectives.

Benefits	Allied Membership (\$200)	Silver Corporate Sponsor (\$1,800)	Gold Corporate Sponsor (\$3,000)	Platinum Corporate Sponsor (\$5,000)
