

Annunciation Catholic School and the University of Notre Dame's Center for STEM Education are proud to sponsor the

SUMMER SCIENCE AND ENGINEERING CAMP

June 4–14, 9 AM – Noon

For students entering 6th, 7th or 8th grade in Fall 2019

"Hands-on" and "Minds-on" Learning!

The Summer Science and Engineering Camp is aimed specifically at middle school students. Students will work collaboratively to explore scientific questions and solve engineering design problems.

Cost

\$150 per student, but half- and full scholarships are available. Those interested should inquire with the host school for more information regarding scholarships.

Location

Annunciation Catholic School
1110 N Lincoln St.
Stockton, CA 95203
(209) 444-4000

Camp Highlights

Perform experiments and computer simulations to learn about matter and the makeup of the world around us

Model chemical reactions and puzzling phenomena

Learn how to use different tools and technologies to solve problems

Solve engineering challenges and build water filters

Summer Science and Engineering Camp Registration Form

Online: Register at the following link to reserve your spot: stemeducation.nd.edu/stockton. Send your tuition check to the address above. Please include your child's name and "STEM Camp" in the memo line.

Mail: Send this form and your tuition check to the address above. Please make checks payable to Annunciation Catholic School.
