

Join AARP Movies for Grownups for a FREE Screening & Discussion of *What They Had*

What They Had centers on a family in crisis. Bridget (Hilary Swank) returns home to Chicago at her brother's (Michael Shannon) urging to deal with her ailing mother (Blythe Danner) and her father's (Robert Forster) reluctance to let go of their life together.

There comes a time when caring for a loved one will become part of our lives. Caregiving is a labor of love, rarely easy but often fulfilling. Few of us are prepared, but most of us will be tending to our parents or older spouse's needs.

Please join us afterwards at the neighboring Pizzeria, Brixx, for complimentary pizza, discussion and information about community caregiving resources.
