

AMENDMENT #1

Rationale for amendment: The INA Board of Directors recommends categories of membership be updated to mirror the American Nurses Association (ANA) to promote changes that occur during 2019 ANA Membership Assembly Structure in membership and dues and for consistency of membership categories at the state affiliate level. The proposed changes reflect a simpler categorization of membership to promote membership of both INA and ANA.

Proposed deletions are indicated with a ~~strike through~~ and additions are indicated in **red font**.
