## ARE PLEASED TO INVITE YOU

to participate in next year's P2S2 (Pennsylvania Patient Safety Summit)! Our conference this past May was by every measure a success, with 281 attendees from 110 organizations across the Commonwealth, including hospitals, ambulatory surgery centers, and long-term care facilities.

## BREAKOUT SESSION PRESENTATIONS

This year's conference will feature breakout session presentations. Speakers will have the opportunity to discuss current patient safety challenges and strategies for overcoming them.

- Each session will last **one hour**, including questions.
- Interested in presenting? [Complete the application](#) on Survey Monkey.

## SELECTION CRITERIA

All proposals submitted before the August 16 deadline will be reviewed by the P2S2 selection committee. (Please note that submission of a proposal does not guarantee selection.) Each proposal will be evaluated on the following:

- Innovativeness of the topic and presentation material
- Replicability for other similar facilities
- Preference will be given to topics addressing use of technology and/or inclusion of the patient perspective.

The Authority reserves the right to request modifications to a proposal before final selections are made. Promoting a company, service, or product is NOT permitted.

## SPEAKER BENEFITS

The Authority will provide complimentary registration to the conference (up to two speakers per presentation) and a small stipend for travel expenses (up to two speakers per presentation). **The stipend is available to Pennsylvania residents only and will be mailed to you one week after the conference.**

## POSTERS

We will be featuring posters to be displayed in the main exhibit hall during the conference. Poster submissions can be submitted for any patient safety topic. The preferred academic poster size is 36" high by 48" wide. The Authority will provide complimentary registration to the conference for one person for each poster selected. **Interested? Complete the application and upload your poster on Survey Monkey by August 16.**

## TIME LINE

**July 1:** Call for Submissions opens

**August 16:** Call for Submissions closes at midnight

**October:** Winning presentation submissions announced

**November:** Winning poster submissions announced
