

# 24th Annual Golf Classic

Benefits the IESLA Student Education Fund | **Friday, October 9, 2020**  
**Rio Hondo Golf Club** | 10627 Old River School Road, Downey, CA 90241

## ABOUT THE 2020 TOURNAMENT

We are very proud to announce IESLA is hosting its 24th Annual Golf Tournament. This year's tournament will once again be held at the beautiful Rio Hondo Golf Course on Friday, October 9, 2020.

Despite the very challenging times we are all facing, the IESLA Board of Directors decided it was important to keep the golf tournament tradition going! Although it will not look or feel like years past, it will surely be a great day filled with many opportunities to catch up with industry friends, many laughs and hopefully a few great golf shots!

This tournament is held to raise money for the IESLA Student Education Fund which supports the Saul M. Goldin Memorial Internship and the Russell Cole Memorial Lighting Design Competition. Your participation and/or donation will help ensure these programs are funded, so that our future generations continue innovating and pushing our industry forward.

In lieu of Title Sponsors, Golf Packages, Players Cards etc. we decided to keep it very simple this year! The goal of this year's tournament is simple - grab a few clients/friends and head out for a great day on the course!

If it is in your budget, please consider donating to the IESLA Student Fund. All funds collected will be given to students. By your generous contribution, you will be investing in the next generation of the lighting community.

Donations can be made on the IESLA website: [www.iesla.org](http://www.iesla.org)

All those who contribute will be acknowledged on the website and through an eblast.
