

Calendar Event

Picnic in the Park July 4th at Emerson Field, Concord, MA

Please come and join us for the 46th annual Picnic in the Park, held on the 4th of July, from 11:00 am until 4:30 pm at Emerson Field. It features plenty of music, kid's activities, games, food and entertainment for all ages. Bring your own picnic basket and just relax on the grass listening to the music, or enjoy some of the food from several local nonprofit organizations. It is a great way to celebrate the holiday with family and friends in a relaxing community social event. The music will be presented by Rock a bye Beats, Southern Rail and capped by the rousing sounds of the Concord Band.

The activities start with a children's parade, one of the highlights of the day. It assembles in front of the Concord Armory on Everett Street at 11:15am. Many of the children, in colorful attire file into the park on bicycles, tricycles, scooters or with toy strollers and doll carriages which are decorated in the patriotic red, white and blue colors of the day. The parade route is from the Armory through the tree lined alley of the park to the flagpole. The patriotic colors of the parade set the stage for a festive day, celebrating our country's birthday.

So, come join your neighbors and show your patriotism in an old fashioned, family fun day.

The Picnic in the Park Committee
