

Calling all Concord Businesses!

You are cordially invited to participate in *Brighter Together*, Concord's inaugural Lantern Parade and Party, beginning at 6:00pm on March 7th. Brighter Together encompasses free, inclusive lantern-making workshops in January and February, and an enchanting parade of lights in the winter night led by the Concord250 Lantern, from the Alcott Elementary School through residential streets, culminating in a celebration with art and music at the Concord Scout House.

Join us in establishing an annual tradition that brings us together during the winter season through creative expression and light, an event that celebrates all aspects of our community - individuals of all ages, businesses and cultural organizations.

You can be a part of this special event! Here are ways to get involved:

1. **Become a Brighter Together Sponsor.** See sponsorship options below, or support us by donating any amount toward lantern-making workshops at [Concord Lantern Parade](#).
2. **Donate food and/or beverages for the Brighter Together Party,** following the parade. Contact Kate Mceneaney at mceneaney.kate@gmail.com to arrange.

3. **Participate!** Come to a lantern workshop and/or attend our parade and party. See our Website (concordlanterns.org) for more information on workshops and event details.

Wondering what a parade lantern and a lantern parade and party would look like? See this clip of the [Peterborough New Hampshire Lantern Parade](#), and see the logo for our parade.

Best regards,

Margot Kimball
Director, Art for All
Co-Chair, Brighter Together Lantern Parade
