# 2019 - 2020 Annual Report

## *“Signs of Love”*

### **Artist:** *Jessica Johnson*

Local inspiring artist, Jessica Johnson is a self-taught deaf artist who has been deaf since birth and communicates through American Sign Language (ASL). Jessica has had a love of art for as long as she can remember. Jessica found her voice through art creations and her true artist talent has become the primary way of expressing herself. She wants to learn more and share her passion with others through example and teaching. She hopes her work makes others happy and speaks to them as it does to her. “Signs of Love” featured on the cover expresses Jessica’s artistic style of illustrating the heart as the universal symbol of love and ASL sign for love. Many of Jessica’s paintings were showcased at a community event featured in September during Deaf Awareness Month at Hart Gallery in Chattanooga. Digital images of Jessica’s “Signs of Love” painting were provided by Hart Gallery.

## Message from Pam Ladd, Chief Executive Officer

Dear friends,

Partnership provides services and resources to empower people to achieve economic stability and provide healing for victims of domestic violence and sexual assault. We do this through creating an environment where our most vulnerable community members have the opportunity to succeed.

July 2019 through June 2020 has been a year like no other. There were challenges. There were achievements. We established new paths. Partnership's programs and services thrived the first nine months of the year. During our Holiday Cheer Campaign, 21 local companies and individuals adopted nearly 400 of Partnership's clients to help bring joy to those in need during the holiday season. Our Deaf and Hard of Hearing program was showcased at RISE 2020 fundraiser in February and thanks to our generous sponsors and attendees, the event raised over \$81,000. Through grant funding from two local organizations, I'm especially excited to report that we successfully renovated the 3rd floor, east wing, of the Family Violence Shelter.

The last three months, as the COVID-19 pandemic hit our community, has been unprecedented. I'm immensely proud to report that our programs remain open and continue to provide essential services and resources to our clients. Our Family Violence Shelter provides a safe house for families fleeing domestic violence. Center for Family Connections worked with the courts to provide virtual Parenting Classes and mandatory classes for divorcing parents. Elder Services continue to safely care for senior adults in their homes. River City Youth Collective has ensured a safe and healthy living environment for youth living in supervised independent living homes. Deaf Services made the deaf community aware of all mandates and changes by working with Hamilton County to provide live ASL translations of all press conferences.

Certainly there were challenges and we incurred lost revenue from our Sustainability Services, but we persevered. Our heartfelt thanks goes out to our dedicated board, staff, volunteers, and loyal donors. This unwavering support has allowed our agency to stand the test of time. And for that, we are deeply appreciative.

Warmest Regards,

A handwritten signature in dark ink that reads "Pam Ladd". The signature is fluid and cursive, written over a light-colored background.

## Leaving a Legacy

Longtime supporter and friend of Partnership, Eleonore “Elly” Gisela Cobbe passed away this summer on June 3, 2020.

Elly was born in St. Ingbert, Germany and immigrated to the United States on her own initiative in 1961. She met her husband, Alan, in Los Angeles and resided there for over 37 years operating an insurance business insuring many of the major movies of the time and met many of the famous movie stars of the days. After Alan's death, Elly decided to move east to Chattanooga in 2003. She quickly embraced the community and became an active member of Christ United Methodist Church. Her servant heart led her to participate in its ministries faithfully arriving on Sunday's at 7 a.m. to serve coffee to the attendees and helping with Wednesday night meals. Those who knew her described her as vivacious, friendly, and compassionate and one who loved traveling worldwide, enjoyed playing tennis and fellowship with friends. Elly believed in Partnership's mission and vision regularly contributing monetary support to help maintain program services.

“We are grateful Elly included Partnership in her will as we are all the beneficiaries of her kindness. Including the Partnership in your estate plan is a wonderful way to leave a legacy to help us continue forward as a strong, resilient community resource for families in need,” says Sharon Love, Director of Philanthropy. To learn more or to let us know if you have made a provision for Partnership in your estate plan, please contact the Development Office, 423-697-3827.

# Rise 2020

## Event Highlights

Partnership hosted “RISE 2020” on February 5th at The Westin and highlighted Deaf, Deaf-Blind, and Hard of Hearing Program. The program has served individuals with hearing disabilities in Chattanooga and North Georgia for 45 years providing life skills services for the hearing impaired community. As well as, bridging communication barriers providing American Sign Language interpreters for businesses, medical practices and government entities. Thanks to the generous sponsors and attendees, Partnership’s RISE 2020 raised over \$81,000.

RISE featured Derrick Coleman, Super Bowl Champion and NFL’s first deaf offensive player, as the guest speaker, and honored distinguished advocates who have impacted Partnership and the deaf community. Senator Todd Gardenhire was honored with the Distinguished Leadership Award for his leadership role in advocating Hamilton County to become the first county in the state of Tennessee to establish “Text to 911” for emergencies. This alternative method of communication became a God-send for people who are deaf or hard of hearing. Hamilton County Emergency Management Agency was awarded the Distinguished Advocate Award for implementing in its “Be Ready” Emergency Operations Plan a specific plan to communicate weather and safety information to the Deaf and Hard of Hearing including ASL Video Emergency Instructions directly on their website.
