

Murphy Brown

Murphy Brown is 3-4-year-old American Bulldog mix. She was found wandering the streets scared and hungry, since being in rescue her happy and sweet personality has shined! Murphy Brown has so many amazing qualities: she is extremely affectionate and loves to greet everyone she meets with a tail wag and tons of kisses, loves to ride in the car, go for walks and plays very well with other dogs! We would love to see Murphy Brown in a forever home with another canine to play with or someone who enjoys jogging and hiking.

Sophie Melanie

Sophie Melanie is sweet and gentle 1-year-old Pit Bull Terrier mix. This little cutie was rescued from a very abusive situation and is now looking for a new start. Sophie Melanie has had an extremely rough start and can be a little fearful but does warm up. She will need a family that is patient and understanding and let her know that the world is not so scary. She would love an active family who will take her on walks, runs and even car rides, oh she loves to play with toys! We would like to find her a home close to where she is being fostered in Ohio or Michigan, please spread the word if you have family or friends in that area. Sophie Melanie is going to make someone an amazing best friend.

Sugar Cube

Sugar Cube is a 6-7 year Chihuahua who would love a forever home! This pint size pup is looking for her forever home when her loving owner passed away. Sugar Cube is very affectionate and follows her foster family where ever they go and loves to snuggle. She is living with feline foster siblings and does very well with them, she is not a fan of other dogs and would do best if she was the only dog in the home.
