

# Queen

Meet Nova Caine! She is a very sweet 1-year old Labrador mix and is available for adoption. Queen is a little shy when meeting new people but warms up very quickly and will be your best friend in a matter of seconds. She loves being loved and will snuggle with her people. Everything is new to Queen so she will need a little time to acclimate to her new surroundings. She does great with other dogs and passed her initial cat test. Queen would do best in a home with older children since young children zooming around her makes her a little nervous. Queen is an extremely smart girl who can not wait to meet her forever family.
