

Lucky Pen

Lucky Pen is the sweetest puppy! He is only 6 months old and is in foster care living life to the fullest. Unfortunately, he was left in a crate and was never let out so we require a home where someone is home most of the time. Lucky loves to play, go for walks, and of course snuggle with his new forever family. He also would do great with kids that he can play with. As with any puppy he will need training and patience as he learns how to be an even more perfect pup than he already is!

Bowie

How handsome is this 3-year-old American Bulldog mix! Bowie was tied to a tree for his entire life, but not anymore! He is in a loving foster home who are teaching him how to be a loved dog. Bowie has made great strides but does have some possession issues with toys and food and is working with a trainer to help him be less possessive. He does very well with other dogs and children, we do recommend older children since he is a strong 60-pound boy. Bowie will need a loving family who is patient and who will continue with his obedience training. He is an amazingly loving boy who deserves to have an equally amazing forever home.

Georgie

Georgie is a very handsome 3-year-old American Bulldog mix who is very excited to meet his forever family. He is deaf but that doesn't stop him! Georgie loves life! He uses hand signals instead of verbal commands and knows them very well. Georgie is very loving, loyal, calm, but playful at times. He will require to meet his new family multiple times to help him adjust to new family, since he is very loyal to his foster mom. He doesn't have trust issues, but he is so loyal to his foster family who helped him learn how to live after being tied to a tree his entire life. Georgie is definitely worth taking the extra mile to win his love!

Rouge

Rouge is one of the sweet girls who looking for her forever homes. She was rescued from the frigid temperatures while being chained. She is loving life living indoors and getting tons of attention. Rouge is quiet, sweet, gentle, loves to play with other dogs and really enjoys the water (of course she does, she is a lab mix). She would require a fenced yard and the city is not for this girl. Rouge is adjusting very well to living indoors and is going to make an amazing companion.
