

## Bellini

Bellini is an absolute dream! She is about a year old and is a playful, happy puppy. Bellini loves to play and would do best with an active family who can take her for walks, hikes and would be willing to play ball with her. She does well with other dogs and would do well with an active canine companion. Bellini needs a fenced yard since she loves to do zoomies a few times a day. Bellini is such a loving dog and whoever adopts her is going to be very lucky!

## Cleo and Tony

This adorable dynamic duo is looking for their forever home. They are approximately 6 years old and were found together in an abandoned house. They are very sweet and loving but are shy around people and appear to be scared of other dogs. They both walk very nicely on a leash and have come far in their

introduction to what life as a well-treated dog is like. They absolutely adore each other and do everything together. They are crate and house trained. If you're looking for two great dogs, apply today!

## George

George is appropriately 2-2.5 years old and is looking for his forever home. He is an active hound cattle dog mix. He loves to learn and would do amazing in obedience classes. George's foster family is teaching him the basics and how to walk properly on a leash, at which he is excelling! He also loves other dogs and a friendly canine companion in his new home would be great, or at least a home where he can interact with other dogs if he does not have a canine companion to live with. He is very sweet and affectionate and loves to snuggle. He is an amazing dog not to mention super cute. <https://www.petfinder.com/dog/george-53794913/ri/warren/paws-new-england-ri77/>
