

# **Teddy Tennessee**

is an adorable 1 year old Shepherd Dingo mix who is looking for a second chance in life. He was in need of a medical emergency and Paws New England did not hesitate to step up and save him. Teddy Tennessee is an amazing boy who absolutely adores people of all ages and loves to give out kisses to everyone he meets. He is house trained, crate trained and is working very hard on his leash manners. Teddy Tennessee was never socialized with other dogs and can be a bit dominant at first. His new owner should be committed on taking him to training and helping him socialize with other dogs. <https://pawsnewengland.com/our-dogs-list/Teddy-Tennessee/>

# **Channing**

was one of seven dogs saved from a neglectful owner. He is currently living in a foster home learning that life is good and people can be kind. Channing has made so much progress that he is now ready for his forever home. He is crate trained, house trained and is working very hard on his obedience, which we may add is doing exceptionally well. Channing is currently being fostered with canine and feline foster siblings and gets along great with them! Channing needs a forever home that has a confident friendly canine sibling to show him the ropes and help him build his confidence. This boy is so very sweet and loving and just wants a home to call his own. He will need a little time to adjust to his new home but he is totally worth the wait. <https://pawsnewengland.com/our-dogs-list/Channing/>

# **Fiona Rose**

is a 1 year old Shepherd mix who was saved off the streets of Iran. This sweet girl has had a rough life until now, she is realizing that she is safe and life can actually be fun. Fiona Rose has a bunch of canine siblings and is learning that sharing her toys and playing with them is a really good time! This sweet girl lived a hard life and was treated not so kindly by humans and is working very hard on trusting them. Her new owners should work with a behaviorist to help her get past her fears. This girl is absolutely a sweetheart and deserves a loving and patient home! <https://pawsnewengland.com/our-dogs-list/Fiona-Rose/>
