

Alfred Major

Alfred Major is an adorable 2-year-old hound mix. He was surrendered by his owner due to financial issues. Alfred has two leg injuries from a car accident and his legs were not properly attended to after the accident, but this does not slow him down. He loves to run and jump around. He loves other dogs and would do great with a friendly canine sibling. Alfred would love an active family who can take him on fun adventures and of course spoil him with tons of love. He is a super sweet and loving dog! Don't wait, apply for Alfred today.

Eleanor Honey Ham

Eleanor Honey Ham is a sweet 4-year-old Staffordshire Terrier mix who is looking for her forever home. She had an amazing personality! She is extremely affectionate, loving and just a giant snuggle bug. She will need a family that understands the breed and will continue to work on her basic obedience. Because of Eleanor's exuberance for life she should be in a home with older children. She also does well with other dogs after a slow introduction but should be the only dog in the home. Apply for Eleanor! You won't be sorry, she is an amazing girl.

Ralphie

Ralphie is one of our favorite seniors. He is an 8 year old English Bulldog mix. Ralphie would do well with or without another dog in the home. We recommend no children or cats. He will need a family that is able to work with Ralphie on some of his issues, which can be described better on our website. Employees are currently taking him home for overnight sleepovers and he does very well. Where he is being boarded, his trainer will also work with his new family to help understand and work with Ralphie. He is a sweet and loving boy who deserves his own forever family.

Gretchen Lynn

This stunning girl is a 1.5-year-old hound mix who is on the hunt for her forever home. She is fairly new to our rescue, but she is a very sweet and gentle girl. Gretchen was abandoned and fortunately for her someone found her and brought her to us. She does well with other dogs but can play rough with smaller or older dogs, so one around her age and size would be best. She is in a foster home where she is learning how to walk properly on a leash and adjust to a loving environment. Gretchen is going to make a wonderful addition to most any home, apply today.
