

Cypress

Cypress is an adorable 1 year old Terrier, Retriever mix who is looking for her forever home! This sweet girl was found on the side of the road in a crate, so as anyone can imagine she is not fond of crates. Cypress would do well in a family who is home more than not. She is an active girl who loves to go for walks. Cypress does well with other dogs and even cats, but her energy level should be considered since she's still a puppy and can be a little overwhelming.

Cypress is almost house trained and is learning the ropes of living in a house. She is extremely loving and will make someone very happy. Please consider adopting Cypress.

Diamond James

Diamond James is approximately 9 months old and had a pretty bad start to life, but she holds no ill will and is a very happy loving girl. Diamond James did lose her eye at a young age and her other eye is not perfect. Her issue with her eye is not expected to have any issues in the future but it is possible. Due to her vision issue she will need to be in a secured fence and/or a secure harness or collar when she is out walking since she tends to get startled easily.

Diamond James also will need a confident and friendly canine companion who can keep up with an active puppy. She is making great progress and will need a patient owner to help her build confidence. Diamond James is a very loving and sweet girl and is going to make someone a great companion. Apply today!

Sissy

Sissy is an adorable 6-7-year-old Pit Bull Mix who cannot wait to meet her forever family. She is the happiest, sweetest most loving girl ever! She loves to be around her people and will need an owner who does not mind a clingy dog. Sissy loves to lay out on the sun on nice days or just hang out in the yard and run loops, therefore a fenced yard is a must for her. She does very well with other dogs with proper introductions. Sissy will also need a dog savvy owner since she can be a little shy around men and have growled at a few.
