

## Woody Woof

How cute is this guy! He is approximately 7 months old and was found in the woods with 14 other puppies. He is a fun and happy guy who is very social with all dogs. Woody Woof is a little shy around strangers but warms up. He is currently ignoring the older cat in his foster home but no guarantees that he wouldn't chase a younger more active cat. He would do best in an active home where he can play with other dogs.

## Pappy Van Winkle

Pappy is the sweetest guy with an old soul who is looking to find his forever home! He had a wonderful loving home his entire life until his owner fell on hard times and could no longer keep him. Pappy is 14 years old but young at heart! He likes to go for walks, car rides and enjoys meeting everyone he encounters. Pappy does well with the dogs in his foster home and would do well with another mellow dog in his new home, although he would also be fine as the one and only. Please consider adopting an older dog! He is so worth it!
