

Breen

Breen is a 1-year old Shepherd Terrier mix who is so excited to see what the next chapter of her life brings. This courageous girl was in a shelter with her 5 puppies and was an amazing mother! Breen is very well socialized with dogs and people, she loves all! Breen would make an excellent co-pilot since she enjoys riding in cars. She would also make a great couch buddy since she adores snuggling with her foster family. She loves the company of other canines but does not like to share her food and would be required to feed her separately. Breen is a very sweet, loving and affectionate girl who deserves to find a loving forever home!

Spice

This beautiful girl is a 3-year-old Collie Labrador mix named Spice and she is on the market for a new forever home. Spice is an extremely sweet and loving girl but due to her past, she is very shy at first. She likes to take it slow when meeting new people but once she does, she is very affectionate. Her foster mom says she is the sweetest dog ever! She loves to go for walks, belly rubs, playing with her toys and just hanging around with her foster family! Spice loves her canine friends and canine foster siblings, they make her feel confident and having a friendly confident canine sibling in her new home is a must. Spice is one of those dogs who just needs a little time to adjust and trust her surroundings, but she is definitely worth the wait!
