

Sushi

Sushi is fun loving Cattle Dog/Boxer mix who is in search of her forever home. She is 5 years old and until now she didn't have the best life. Sushi is absolutely amazing! She is extremely smart and loyal. She does very well with other dogs but would do best in a home with a more submissive dog since she can be a little bossy, not aggressive just bossy. Sushi does very well with children and loves everyone she meets. She would love an active family, one who will stimulate her mentally and physically. And she loves to cuddle.

Wilbert

Wilbert is a 1.5 year old Pit Bull mix who cannot wait until he meets his forever family. He was unfortunately left outside for most of his life, but things have changed and now he is living in a loving foster home. Wilbert would do best if he had a friendly confident canine sibling in his new home since he loves to play with other dogs. He is currently learning what it is like to be an inside dog and is absolutely excelling at it! Wilbert will need an owner who is experienced with dogs and can help Wilbert become even more amazing.
