

# Bucky

Bucky is the cutest 6 year old Shih tzu mix! He has a great little personality. Bucky was rescued from a shelter and is amazing on his foster home. He does very well with other dogs and even cats. Bucky does not like to share his bones so we suggest a home with older children. He absolutely loves his toys especially the ones that squeak! He is a great little guy and whomever adopts him is going to hit the lottery.

# Doosey

Check out this adorable 6-month hound mix who is up for adoption! Doosey and her siblings were found by a good samaritan, they were taken and most have found homes. She is a typical fun loving puppy who loves to play with other dogs. Doosey does well with people but may be a little bouncy for smaller children. She walks well on a leash and enjoys her daily walks and romping in a baby pool. Don't wait! Apply today! She is an amazing girl. Just a side note her brothers Wuffian and Zoar are also available for adoption. <https://pawsnewengland.com/adopt/pet-11977/>

# Foxy Momma

Foxy Momma is about a year old shepherd mix. She is the sweetest, most gentle and loving dog! Foxy Momma and her puppies lived on the streets of Texas for quite some time and fortunately someone took them all in and took care of them till Paws New England was able to take them. She does very well with other dogs, but we do not know about children or cats at this point. She is happy girl who loves to go for walks, playing with her toys and is enjoying life in a foster home. She is a smaller girl at only 36 pounds. She won't last long so apply today! <https://pawsnewengland.com/adopt/pet-11959/>

# Jane

Jane is a 3-year-old Black Labrador/mix who is looking for her forever home. She is a mellow happy girl who fits in anywhere. Jane does great with other dogs, walks well on a leash and is very people friendly. Unfortunately, her previous owners moved and left her to fend for herself. Jane will be a perfect addition to any home! Apply today! <https://pawsnewengland.com/adopt/pet-11999/>

# Pearlene

Pearlene is an adorable 6 month old Terrier mix who is looking for her forever home. This sweet girl loves everyone she meets and loves playing with her canine friends. She is 50 pounds at six months so most likely she will be on the larger size as an adult. Pearlene is fun girl who loves to swim, go for walks, and enjoys snuggling with her foster family. She is a puppy so obedience training is suggested, she loves to learn so she most likely will be the star of the class. This amazing girl deserves a loving forever home. <https://pawsnewengland.com/adopt/pet-11944/>
