She is a 3.5 year old Jack Russell, Dachshund mix who is looking for her forever home! This little cutie was rescued from a hoarding situation and lived outside most of her life. She is learning leash manners and how to be a house dog. Bitsy Itsy Bebee is an absolute love! She loves to snuggle on her foster family's lap and will snuggle as long as you want. She is living with a large and small dog and is doing great. Due to her sensitivity to loud noises, a home with older children is recommended. With a little patience and love she is going to make one lucky person or persons very happy!
