

Lucky Pen

Lucky Pen is the sweetest puppy! He is 10 months old and has had a tough start to life, but he is a glass half full kinda guy and is super happy. He was left in a crate never being let out. He is now in foster care living life to the fullest. We require a home where someone is home most of the time. Lucky loves to play, go for walks, and of course snuggle with his new forever family. He also would do great with kids, cats and other dogs. As with any puppy, he will need training and patience as he learns how to be an even more perfect pup!

Bowie

How handsome is this 3-year-old American Bulldog mix? Bowie was tied to a tree for his entire life, but not anymore! He is now in a loving foster home where he is learning to be a loved dog. Bowie has made great strides but does have some possession issues with toys and food, but he is working with a trainer. He does very well with other dogs and children. We do recommend older children since he is a strong 60-pound boy. Bowie will need a loving and patient family who will continue with his obedience training. He is a loving boy who deserves to have an amazing forever home! <https://pawsnewengland.com/adopt/pet-9161/>

Georgie

Georgie is a very handsome 3-year-old American Bulldog mix who is very excited to meet his forever family. He is deaf but that doesn't stop him! Georgie loves life! He uses hand signals instead of verbal commands and knows them very well. Georgie is very loving, loyal, clam but playful at times. He will require to meet his new family multiple times to help him adjust, since he is very loyal to his foster mom. Even though Georgie had been tied to a tree his entire life, he is such a loving boy and worth taking the extra mile to win his love!
