

# Ruby and Memphis

Ruby (female) and Memphis (male) are the cutest bonded pair! These two are the sweetest dogs and love everyone they meet. Both are great with children and other dogs. Ruby and Memphis have been together since they were just puppies and have been inseparable ever since, they even sleep on top of each other. Their family absolutely love them, but realize that working 3 jobs and two children under 4 years old, Ruby and Memphis need more attention and would be happier in a home that can give that to them the attention and love that they deserve.
