Sheila

Sheila is a stunning Golden Shepherd mix who is approximately 2 years old. She surrendered to Paws New England because her loving former owner had health issues. Sheila has been fostered with other dogs and does great with them. She does tend to stay away from bossy dominant dogs. Sheila would do great in a home with a friendly non-bossy canine sibling. She loves to run, play, hike, and swim. She is a fun-loving girl who is going to make a perfect addition to one lucky family.

Tuff

Tuff is approximately 8 months old and is looking for his forever home. This Labrador mix and his brother (Ruff) were surrendered and are currently living in a foster home. Tuff is a fun-loving guy who loves to rumble and tumble with the big dogs. We do not suggest a home with cats or smaller dogs due to his play style. He will need training but is eager to learn since he is very smart. He is a great pup and is going to make someone very happy. Apply today!

Pearlene

Pearlene is an adorable 6 month old Terrier mix who is looking for her forever home. This sweet girl loves everyone she meets and loves playing with her canine friends. She is 50 pounds at six months so most likely she will be on the larger size as an adult. Pearlene is fun girl who loves to swim, go for walks, and enjoys snuggling with her foster family. She is a puppy so obedience training is suggested. She loves to learn so she most likely will be the star of the class.
