7/1-7/3 Harvard Pilgrim Finish at the 50 5K and 10K at Patriot Place; Start your holiday weekend early and celebrate your Independence at the Harvard Pilgrim Finish at the 50 5K and 10K at Patriot Place. The excitement begins Saturday, July 1st and Sunday, July 2nd with a Health and Wellness Expo and free family activities at Patriot Place. 7/3: Fireworks Spectacular at Patriot Place - The fireworks show begins at 9:00 PM, lasting more than 20 minutes, and is accompanied by a musical score available on Dean College Radio, Power 88 FM (88.3 FM), or by streaming online at [www.power883.org](http://www.power883.org). 7/4: Boston Pops Fireworks Spectacular; More than seventy years ago, before Arthur Fiedler became Conductor of the Boston Pops, he was struck with an idea that was to transform the orchestra's relationship to the City of Boston. He believed that if great literature was available for free in public libraries, and masterpieces of art could be viewed for a modest fee in museums, then great symphonic music should be accessible to the masses on a similar basis. The Esplanade season today encompasses roughly one week's worth of concerts featuring diverse programming that ranges from classical and opera favorites to gospel music and Broadway showstoppers. The highlight of each season remains the festive Fourth of July concert, which is now telecast live nationwide and attracts nearly a half-million people each year. Recent guest artists have included Roberta Flack and Don McLean, to name just a few. The event takes place along the Charles River, at the DCR Hatch Shell on the Esplanade between Longfellow and Massachusetts Avenue Bridges, on both the Boston and Cambridge sides of the river. <http://bostonpopsjuly4th.org/>
