

Community Health Centers: Lighting the Way for Healthier Communities Today and in the Future

As we celebrate National Health Center Week, AltaMed Health Services thanks our staff for their tireless work keeping our communities healthy!

MONDAY, AUGUST 10

Virtual Thank You

Take the time to share a note of thanks with your colleagues for their ongoing effort to provide quality care to our AltaMed community.

Happy National Health Center Week!
#NHCW20

WEDNESDAY, AUGUST 12

Census Focus

Help support funding for health care programs and services that are vital to the communities we serve. Get counted today to help light the way for healthier communities in the future!

[Complete the census now!](#)

SATURDAY, AUGUST 15

Virtual Citizenship Workshop

10:00 a.m. – 11:00 a.m.

As a valuable member of this community, don't let your voice go unheard. Attend our FREE Citizenship Workshop and empower yourself to make a difference and continue to build support for health centers.
