

New FAQs – November 11, 2020

1. What is AltaMed's policy on holding in-person staff meetings? With the number of COVID-19 cases going up in LA County, can and should departments schedule outdoor meetings as long as team members wear masks?

From the COVID-19 Response Team:

AltaMed is committed to creating a safe work environment for all. Staff are encouraged to schedule meetings via conference call for the time being, and if not able, to ensure that there are no more than 10 people within one conference room. All employees are required to adhere to social distancing guidelines. If you have concerns or would like to report policy violations, please contact your HR Business Partner directly.
