

Infection Prevention Medical Director

- Today in LA County there are some organizations that have started to open their business for curbside pickup.
- In regards to reopening AltaMed, the top priority will be to keep our staff and patients safe.
- Reopening AltaMed will include bringing back some of our patients, patients with chronic conditions, and PACE participants to ensure they all receive the care they need.
- We will continue the employee and patient screening process. It is a mandatory requirement that everyone needs to be wearing their mask. Continuing physical distancing and all high touch surfaces should be cleaned frequently –

Government Relations

- 4.3 million Californians have filed for unemployment.
- The Governor reported 92 new deaths.
- California is entering into phase 2 of the Stay at Home Order which begins today. Governor Newsom is allowing retail stores to open today for the first time with some restrictions. In Los Angeles, Supervisor Solis reported that the same retail businesses will be open.
- Parks will be open on Mother's Day.

Human Resources

- As a reminder, employees can receive 50 recognition points if they complete the Q2 compliance courses by the end of the day today. The Q2 modules include "Incident Reporting", "Environment of Care", and an updated "Emergency Management Planning & Business Continuity Program". Currently, we have a 50 percent completion rate. The deadline to complete is June 5. The details to access the training will be provided in today's notes.

To access training: Go to Town Square, click on "My HR Services", then "Talent Management", then "My Transcript" and finally launch Q2 courses.

Chief Nursing Executive

The Chief Nursing Executive gave a thank you and recognition to all of our nurses!

"As a nurse, we have the opportunity to heal the heart, mind, soul and body of our patients, their families and ourselves. They may not remember your name, but they will never forget the way you made them feel." – Maya Angelou
