

COMMUNITY COUNCIL OF METROPOLITAN ATLANTA, INC. SUPPORT SERVICE REFERRAL FORM

Are you in need of a computer and computer training but are unable to afford it? Are you aware of others who need these benefits? If so, please read the information below.

Visa and Human-I-T are launching a program in Atlanta for the distribution of 1,000 computers plus training to individuals in the community. In addition to the computer, recipients will receive foundational skills training, financial literacy training, and support with low-cost internet access. This program will target individuals, students, families, and small business owners.

The orientation and distribution of computers will be held on Tuesday, June 28, 2022, at 10:00 am. If you are interested in participating in this free program, please complete the registration form below. The meeting site will be provided upon approval of your registration form.

If additional information is needed, please call 404-935-5859.
