

September 22, 2020

As Directors of the Community Business Association, we would like to let everyone know that, at this time, some of the downtown businesses will be participating in the Annual Halloween Trick-or-Treating event. There will be changes this year due to COVID-19 such as one-way trick-or-treater traffic and mandatory mask wearing. We are trying to host some regular events and to do it safely. Some merchants have had challenges this year but would still like to participate but due to costs they are apprehensive. We were hoping that some local businesses would help support this community event by donating some candy to help alleviate these costs to the businesses so that they can participate. All businesses are welcome to join us by setting up a table or cost sharing. You can contact us at: drumheller.cba@gmail.ca or call 403-856-3556.

Please consider donating to this tradition as it is a fun yearly event that is something that families need at this time.

Sincerely,

Directors of Community Business Association

Mike Fabrick, Chair

Amie Courtenay, Co-Chair

Deana Hannem, Secretary
