Wyckoff Public Library

CONNECT ▪ DISCOVER ▪ CREATE

June 10, 2019

Dear Parents and Caregivers,

The Wyckoff Public Library welcomes the opportunity to serve children and teens of all abilities and engage them in reading, learning and exploring throughout the year. During the summer children and their parents are invited to participate in our Summer Reading Club. Our goal is to provide an inclusive environment and a positive experience for all participants. If your child would benefit from a modification to the program we have designed please contact Denise Marchetti, Children's Librarian or Laura Leonard, Director so that we can discuss how to best meet the needs of your child.

This summer's theme, "A Universe of Stories," explores all kinds of topics. The programs are free and open to children of all abilities. Please check our website for program details and to register for events, wyckofflibrary.org.

Participating in summer reading clubs is one way to keep children and teens' minds active and help kids enter school in the fall ready to learn and ready to succeed. And remember, you are your child's first teacher. Look at picture books with your children who have not learned to read and point out people, animals, and objects in the pictures. Read to your children and ask them to read to you. Borrow a variety of books. Our staff is happy to help you find books that are just right. We hope that you and your family enjoy looking at books and reading together and that you discover the treasures of your library.

Sincerely,

Denise Marchetti, Children's Librarian
