What is the Youth Opportunities Fair?

I'm excited to once again host my Youth Opportunities Fair, which will be held on Monday, March 16, 2020 at the Indianapolis Central Library from 12 pm to 7 pm. The event presents students and parents with a variety of year-round and summer employment, internship, volunteer and service opportunities for youth of all ages. It is free to attend, and no registration is required.

- **Non-working Youth:** Participants under the working age of 14 can connect with local service providers offering summer and year-round programs, as well as volunteer opportunities designed for young people of all ages.
- **Working Youth:** Teens and young adults can connect with job, internship, and volunteer opportunities. Professional volunteers will also provide learning sessions on interviewing skills, resume review, and post-fair tips to follow up with employers.
