

Are you a health or social care provider who supports persons with dementia and/or their care partners in NB?

We are conducting a study, titled “COGNISANCE” to learn about the experience of providing a dementia diagnosis and post-diagnostic supports. Participation is voluntary.

Who can participate?

- ✓ Health and social care providers who are involved in the care or support of persons living with dementia and/or their care partners (family members or friends)
- ✓ For example: general and specialist physicians, nurse practitioners, nurses, occupational therapists, social workers, Alzheimer’s society staff, etc.

What will I be asked to do?

- ✓ Complete a 20 to 25-minute survey, either online or over the phone with a research assistant. You will be entered in a draw for a chance to win a \$100 gift card upon completion of the survey.

AND/OR

- ✓ Participate in a virtual focus group at a time that is convenient for you. You will be offered a \$25 gift card for your time.
