

Have you recently been diagnosed with dementia?

OR

Do you support someone who was recently diagnosed with dementia?

We are conducting a study, titled “COGNISANCE” to learn about the experience of receiving a dementia diagnosis, and to learn about the supports provided after the diagnosis. Participation in this project is voluntary.

Who can participate?

- ✓ Persons 65 years or older who have been diagnosed with any type of dementia in the past two years in New Brunswick.
- ✓ Care partners (family members or friends) of people who have been diagnosed with any type of dementia in the past two years in New Brunswick.

What will I be asked to do?

000

- ✓ Complete a 20 to 25-minute survey, either online (on your own or with help from a family member), or over the phone with a research assistant. You will be entered in a draw for a chance to win a \$100 gift card upon completion of the survey.

AND/OR

- ✓ Participate in a virtual focus group (or individual interview) at a time that is convenient for you. You will be offered a \$25 gift card for your time.
