communities of faith**

## HAPPY NEW YEAR

The Health Improvement Partnership of Maricopa County wishes you a Happy New Year!

2020 was a year like no other and looking ahead into 2021 there are many reasons to be hopeful and also for caution. Maricopa County has given 192,120 COVID-19 vaccine doses at County Sites and is working diligently to continue with distribution and administration of the vaccine. If you wish to read more visit: [COVID-19 VACCINE](#)

School vaccinations Point of Distributions (PODs) begin in Maricopa County. Teachers and staff from K-12 schools and early child care centers are eligible and prioritized in Phase 1B. To make an appointment, requirements and detailed information visit:

[COVID-19 VACCINE PHASE-1B](#)

Keeping up with COVID-19 trusted and latest information can be really difficult. Sign up to receive Maricopa County weekly updates by subscribing [HERE](#)

# LET'S QUIT TOGETHER!

Vaping or using tobacco and want to quit? We can help!

Quitting vaping or tobacco use isn't easy—but is easier with the right help.

The N.O.T. on tobacco program gives you options, resources and support. You will learn how to overcome nicotine dependence, benefits of quitting and more!

For more information email:  
Vanessa.Eugenio@maricopa.com  
To register visit: [N.O.T.](#)

## N.O.T. NOT ON TOBACCO

**Vaping or using tobacco and want to quit? We can help!**

**Quitting vaping or tobacco use isn't easy—but it's easier with the right help. The N-O-T Not On Tobacco® program gives you options, resources and support to quit for good!**

**N-O-T is a quit vaping and tobacco use program for teens ages 14-19. It helps you develop a plan that guides you on your quit journey. You'll also get the support you need to remain vape-free and tobacco-free for life!**

### VIRTUAL TOBACCO CESSATION PROGRAM FOR TEENS

DLA

The Diversity Leadership Alliance continues its impactful dialogue series "Uncomfortable conversations that ignite change"

In the February webinar DLA seeks to provide a thought discussion into understanding the invisible cloak that many men of color sometimes wear as they navigate society. This honest and open dialogue will provide attendees with valuable perspective of what it is like to be a BIPOC (Black Indigenous Person of Color).
