## **COVID-19 Booster Eligibility**

**CDC Expands Booster Eligibility** Boosters are now authorized for use in eligible populations for Pfizer, Moderna, and Johnson and Johnson vaccines. Your booster dose may be either the same type of COVID-19 vaccine for your booster or a different COVID-19 vaccine. [Learn more](#)

**Looking for a vaccination site near you?** See what community vaccine events are coming up or search for vaccine using our map. [Find vaccine](#)

**Mobile Vaccination for Medically Homebound** If you or a loved one are unable to be transported to a vaccination site due to being medically homebound or live in a long-term care facility, in-home vaccination may be an option through a mobile provider. [Learn more](#)

**FDA/CDC Approves Additional Vaccine Dose for Immunocompromised:** The FDA amended the emergency use authorizations (EUAs) for both the Pfizer-BioNTech COVID-19 Vaccine and the Moderna COVID-19 Vaccine Aug. 12th to allow for the use of an additional dose in certain immunocompromised individuals.

# New Balsz Pediatric Clinic Now Open!

Earlier this month Mountain Park hosted a ribbon cutting ceremony for their newest location on the campus of the Brunson-Lee Elementary School!

Their Balsz Pediatric Clinic staff welcomed the Balsz School District leadership along with community members to celebrate the opening of their new pediatric clinic which will help increase access to quality, affordable healthcare to the area. [\*\*Click here\*\*](#) to see more pictures from the event. Please share the good news with those who live in the area
