There are several
ways to subscribe,
please choose that
option that suits
you.

Sync

- Add to Timely Calendar (click to copy and paste into your Import Feed section in your Timely calendar dashboard)
- Add to Google
- Add to Apple Calendar
- Add to Outlook Calendar

This option adds this calendar as an imported feed. The feed is synchronized hourly and counts as 1 additional feed against your Synced Import limit.

Copy and Import Once

- Download ICS file
- Download XML file

This option adds a copy of this calendar to one of the above destinations, without synchronizing future updates and it doesn't count against your Synced Import limit.
