

Many of our top students come from Fairmont's P-8 campuses. Out of all the prospective students in Southern California, you are the most highly sought after student to attend Fairmont Preparatory Academy. Your education from Fairmont naturally makes you a top candidate.

Attending Fairmont Prep is considered by many as the crown jewel of the Fairmont Experience. Caring teachers and counselors go the extra mile to guide you through the high school years. Their goal is to prepare you for a successful and rewarding college experience. This level of support enables more than 81 percent of our graduates to be accepted to the top 100 colleges and universities as defined by *US News & World Report*.

Our rigorous academic offerings include the distinctive International Business Program, International Baccalaureate Program, Advanced Science and Engineering Program, and Advanced Math. At the Prep, you will also appreciate the many opportunities to thrive in a community rich with fine arts, sports, traveling and community service opportunities. Similar to the other Fairmont campuses, the Prep is WASC accredited.

We invite you to attend a day of classes while shadowing a current Fairmont Prep student. Transportation will be provided to and from your junior high campus. Lunch will also be provided. Permission slips must be turned in to your campus Assistant Director at least four days before the scheduled Shadow Day. Students should wear their regular uniform as required by their campus on the respective day.
